

John Bonner In Germany

(EDITOR'S NOTE: John Bonner, Rt. 2, Lake Villa, is one of six Illinois delegates participating in the 1969 International Farm Youth Exchange (IFYE). This educational six-month program involving 35 countries and 200 young people is conducted by the National 4-H Foundation for the Cooperative Extension Service and the Ministry of Agriculture in Germany. Financial support on the state level comes from the Illinois 4-H Foundation through 4-H Clubs, local organizations, business concerns, Rural Youth and individuals interested in world understanding. The Lake County Farm Bureau and the Kellogg Foundation were major contributors to Bonner's program. Part of John's program responsibility is to share his experiences through a series of letters while in Ceylon and through programs when he returns. Until December, 1969, his address is John Bonner, c/o Miss Amtsrath, Karin, Hürthsen, Postfach BML, 53 Bonn, Duisdorf, Germany.)

I have moved to my second host family in Niedersachen, a state in Northern Germany. The area around Hanover is where the flat plains of the north end and the rolling hills which eventually lead to the Alps begin. Some of the hills south of here are large enough to be classified small mountains, some areas are used for lumbering purposes.

There is also an increase in agricultural mechanization here. Farms generally have more equipment and there are more

cows per family here than there were in Schleswig-Holstein. Farmers in this area raise wheat, oats, barley, and hay as they did in the Hamburg area, but here corn, peas, and sugar beets are also grown.

The educational system of Germany is slightly different than that in the United States. It is basically the same all over Germany, but may have slight variations from state to state.

There is compulsory education for all children from the ages of six to 18 years. The first four years is called Volk or Grund school. At the age of ten, a decision is made as to which of three courses of study to follow. One course is primary school—young people attend primary school from 10-15 years of age and then go to a three year apprentice vocational school from the ages of 15 to 18.

The second course is called middle school. It is similar to high school and has some college orientation. It is for youngsters from the ages of 10-16 years and is followed by a two year vocational school. The vocational school is visited once a week. This is the level of education that many now feel should be a minimum for future farmers.

The third course of study is Ober school and is secondary education with a scientific basis. When the student finishes this course, he must take an exam covering all his previous education to determine his aptitude for attending the university. The length of time a student spends at the university will vary with

the course of study he is taking. Currently most university students are on strike. Only a few private schools operated by firms, are in operation.

The students have elected a group of representatives to ask for changes in the educational system. These student leaders represent about 300,000 students.

The current strike began in April. At that time more than 69 per cent were in favor of the strike. Another vote will be taken in September to determine if the strike is to be continued until next April.

This is actually the second strike by German students. The first ended last September when education officials agreed to make changes in the system to give student representatives more voice in such areas as teacher selection and subject requirements. Students say this promise never materialized and agreed upon the second strike.

This type of student unrest here in Germany has been of great interest to me. It points out that the student problems are not unique to United States schools. It shows that American youth are no different than youth in other parts of the world. Students are young people who are more informed and better prepared to direct their own lives, and therefore want more to say in determining what they learn to help them in the future.

PM & L Players To Shut Down Antioch Theater

The Antioch Chamber of Commerce Membership Committee met to lay plans for their membership drive which they will launch during Chamber of Commerce Week, Oct. 19 through 25. They are, from left, seated,

Dr. Albert Bucar, Joanne Shute, and Pres Reckers of the State Bank of Antioch, chairman, standing, Jim Yamamura, of Hercules Tool, and Lew Simon of the Shoe Box.

"The Odd Couple," to be presented on Oct. 17, 18, 24 and 25, will be the last play given at the PM&L Theatre, Main St., Antioch.

Future performances will be seen at The Antioch Country Club, Rte. 59 and Grass Lake Road. The theatre was built around 1915 as a showplace for a new-fangled invention—moving pictures. In the 1920's the Rotnour Brothers Stock Company graced the stage of Antioch's Little Theatre.

Long-time residents tell tales of being rapped by Rotnour's cane as they disturbed his off-stage piano playing.

Then during the 1930's the theatre again became a movie house. Films were shown there until 1963 when Palette, Masque and Lyre moved in.

That first year the drama group presented "Night Must Fall," "My Sister Eileen," "Mr. Roberts," "Everybody Loves Opal," "Nothing Ever Happens in This Town" (an original musical), and "Guys and Dolls."

Later shows included "South Pacific," "Music Man," "Send Me No Flowers," "On Borrowed Time," "Gold in the Hills," (a melodrama), "Kiss Me Kate," and "A Funny Thing Happened on the Way to the Forum."

Appearing in "The Odd Couple" are Don Beveroth and Alastair Ramsay in the starring roles, Sydney George, Nancy Welch, Hank Apostol, Rich Trimen, Joset Hunley and Harold Springer. The backstage crew include Shirley Jensen, Aileen Biel, Anne Barlow, Joanne Springer, Mary Jo Lindgren, Dec D'Isa, Betty Smouse, Ricky Apostol, Marie Richter, and Bob and Dottie Lindblad.

All pictures were taken by Vern Cook. The art display in the lobby is by Mrs. Helen Shank. The entire production is directed by Gary Richter.

Be sure to reserve your tickets for PM&L's last play in the PM&L Theatre on Main St. Call 395-0539 or 395-1217.

Students Are Enthused By Note Cards

Laura Oftedahl, A. F. S. student president, reports that the students are enthused about the attractive Christmas note cards they will be selling to raise money for the American Field Service scholarship program.

The artistic designs on the cards are done by A.F.S. members in different parts of the world. It seems fitting that one of the designs was created by a member from Thailand, since Antioch's foreign A.F.S. student this year is Jeed Rokechartcharon from Thailand.

Antioch Board Okay Bids

Bids for remodeling Antioch High School and for building an addition to the school were approved by the high school board members with Ockerlund Construction Co., Motion Grove, winning the general contract with a bid of \$1,488,844.

Revald of Burlington, Wis., was given the electrical contract with a bid of \$239,600.

Board members awarded Superior-Kuepemeier, Milwaukee, with the plumbing contract of \$151,950 and also awarded the same firm the heating and ventilation contract with a total cost of \$360,100.

Board President William Brook said the bids, which board members were very pleased with, contained four additions as alternates, in addition to the basic specifications.

The \$2.6 million remodeling and construction project, which will add 21 classrooms and a gymnasium to the high school, was designed by Rockford architects Gilbert and Johnson.

The expenditures for the additions and remodeling of the school was approved in a referendum passed by the residents of the Antioch High School district.

Allendale Sets Open House

There will be an open house of the Leslie S. Gordon Memorial High School Boys' Residence on Allendale Day, Sunday, Oct. 19, from 3:30 to 5:00 p.m. on the campus of the Allendale School for Boys, Grand Avenue, Lake Villa.

The expansion to Allendale's program has been made possible by a grant from Mrs. Josephine D. Gordon, 39 Indian Hill Road, Winnetka, in memory of her late husband. Gifts are still being received to complete the cost of the living unit.

The building, located on the west shore of Cedar Lake, will house 12 high school boys and will contain a cottage parent apartment, a room for a relief parent, shop, and recreational facilities. The boys living in the Gordon House are all students at Antioch Community High School. Mr. Paul Noe, house parent for the high school boys who now live in the Bradley House, will be the regular staff member appointed to the cottage.

The building has been built by Hammond & Roessch, Architects of Chicago, and Frank Stowell & Sons, Inc., General Contractor of Libertyville.

Illinois Lions Day A Success

Despite the inclement weather on Friday, October 10th, first tabulations of the Illinois Lions Candy Day drive indicate a success was issued by M. R. Kerfoot, Blind Activities Committee State Chairman as returns from 300 clubs were being totaled Saturday.

"We extend a big thank you to the public who so generously supported our cause and the many, many volunteers who gave their time and service to help," Kerfoot said.

Approximately 12,000 volunteers were out on street corners collecting contributions in exchange for candy rolls in the statewide Candy Day drive.

Chief beneficiaries of Candy Day are the blind, are Hadley School for the Blind, Leader Dogs for the Blind, Illinois Camp Lions for Visually Handicapped Children, Dialogue, a recorded service for the blind and Illinois Society for the Prevention of Blindness.

Plus thousands of community sight conservation and activities for the blind program.

Join The Chamber

One of the best organizations in Antioch—plugging for the community all the time—is the Antioch Chamber of Commerce.

And we wish to add our plaudits to this organization that is celebrating Chamber of Commerce Week in our community Oct. 19 through 25.

During this week the Chamber will launch a membership drive—to sign up those in the community that do not already belong to the organization.

It is a very worthwhile group and those who do not yet have a membership ought to get with it.

Prospective members will be approached by the committee which will try to apprise them of the major projects of the Chamber, always remembering that the primary object is one of community improvement and betterment.

The Chamber is concerned with, and plans and organizes for the growth of the business environment. It initiates and supports projects of public interest.

It provides the leadership that prevents business obsolescence.

They will soon be asking you "Are You In Your Chamber?"

If the answer is no—Join.

Take pride in adding your weight to an organization that works for the better life in YOUR community.

Halt Street Gangs

The streets of our cities throughout the country are rapidly being given over to the primitive law of the jungle.

That, at least, is the opinion of J. Edgar Hoover, head of the Federal Bureau of Investigation.

We are beginning to, although reluctantly, agree with him.

The director points out that an east coast city recorded more than 200 street gangs and 33 gang slayings in 1968. During the first eight months of 1969, some 29 young people died in this city in gang wars.

One 16-year-old victim was shot to death when he refused to join a neighborhood gang.

During 1968, Hoover points out, persons under 18 years of age accounted for 26 per cent of the total police arrests. In urban areas, the same age group accounted for 35 per cent of the total police arrests.

Hoover says factors contributing to the existence of street gangs extend far beyond the reaches of law enforcement.

The glamour and appeal of gang membership must be removed, he advocates, and a realistic, commonsense approach to youth crime must replace the trend of permissiveness if the streets are again to be safe.

The director says nothing short of a concentrated effort by an aroused public, law enforcement, the courts and youth agencies will stop this terror.

We agree.

Sophomores Defeated 26-0

The Sophomore Sequoias have managed one win and one tie in five games. This means the team has the work cut out for them. To manage a 500 record we must win the remaining games of the season. Schools remaining on the schedule are in order: Grayslake, Warren and Grant.

Last Friday Lake Zurich defeated Antioch 26-0. They recorded most of their yardage off tackle and held Antioch to small gains on the ground and few pass completions. It was a frustrating afternoon for Antioch on a wet field.

Season statistic leaders:
Ken Tell, 21 punts, 38 yard av.
John Cola, 8 pass completions for 148 yards
Ken Sterbenz, 4 passes caught, 40 yards
Don Mahar, 6 kickoffs, 38 yard av.

Bill Gaa, 5 punt returns, 10 yard av.
Tony Baczynski, 31 tackles, 22 assists
Ken Sterbenz, 201 yards rushing, 3.1 yard av.
Ken Sterbenz, 4 kickoff returns, 15 yd. av.

The starting offensive team has been:

Red Cross Starts First Aid Classes

Who in your family knows how to give first aid?

The answer to this question very frequently starts, "Well, no one really knows," says Dean Kline, volunteer first aid chairman for Mid-America, Chapter of the American Red Cross, and assistant materials controller for the West Pullman Works of International Harvester Company.

"People tend to put off taking first aid training," adds Kline, "then an accident happens, a child accidentally swallows poison, a father cuts his hand, and there's no one who knows what to do until the victim sees a doctor. The first aid given in the first few minutes can mean saving the victim's life."

To make it easy for every family to have a Red Cross-trained first aider, Mid-America chapter is offering standard Red Cross first aid classes at 150 locations during October, "First Aid Month."

The basic Red Cross classes include training for emergency care of burns, frostbite, electric shock, poisoning, and simple fractures. Students also learn to recognize and give emergency treatment for breathing stoppages, heart attack, fainting, convulsions, and foreign bodies in the eyes, ears, or throat. Artificial respiration techniques, including mouth-to-mouth resuscitation, are also taught.

"A popular part of the course," Kline notes, "is the session on review of the home medicine cabinet, and what to carry in the car to handle emergencies on the highway."

Red Cross volunteers first aid instructors will teach the classes, held in park district fieldhouses, schools, community centers, village halls, churches, and Red Cross offices in Chicago and outlying areas from Waukegan to Aurora to Joliet.

Enrollment in the free classes is open to anyone 14 years of age and older. Students will use the Red Cross first aid textbook, which is available at the first class session for \$1, including bandages for practicing first aid techniques.

The classes meet for two hours one night a week, continuing for five consecutive weeks. "We have scheduled the 150 class locations so every person in this area can enroll in one convenient to either his or her home or school or office," Kline said. He particularly urges mothers and fathers, teenagers, teachers, service station operators, bus drivers, and other persons in contact with children, to enroll in the first aid classes.

To find the location and starting date of the nearest class, call American Red Cross at 467-5800 in Chicago, or any of the regional offices in Evanston, Oak Park, Harvey, Waukegan, Aurora, Wheaton or Joliet.

ESO Reducing Staff By December 2

Captain J. H. Garrett, Jr., SC, USN, Commanding Officer of the Navy Electronics Supply Office at Great Lakes, has received information from Headquarters, Naval Supply Systems Command, Washington, D. C., that there will be a reduction in funds granted for the operation of the Electronics Supply Office.

This fund reduction, tied to projected reduced workload and overall fund restrictions, will result in reduction in force of civilian personnel in the Electronics Supply Office of 143 spaces between now and December 2, 1969. This represents a decrease of 138 people from the on board count on Sept. 26. It is anticipated that normal retirement, attrition and release of temporary employees will account for about one-half of this number.

Others separated will receive assistance from the Consolidated Civilian Personnel Office staff in obtaining new positions.

Ten Grants In Essay Contest

The Illinois Editors' Traffic Safety Seminar has announced that ten \$500 Chicago Motor Club scholarship grants will be awarded to winners of the Seminar's fourth annual traffic safety essay contest. The top 10 awards will be divided evenly among boy and girl entrants.

All Illinois high school seniors are eligible to submit essays on the topic "My Program for Improving America's Traffic Safety Record." The original essays are to be 500 words or less, must be submitted to Seminar Headquarters, 66 East South Water Street, Chicago, Ill. 60601, and must be received no later than December 31, 1969.

Gerald W. Cavanagh, president of the motor club, in authorizing issuance of the scholarship grants for the fourth consecutive year, said, "The Seminar contest is an intelligent approach to accident prevention because it is encouraging the coming generation of drivers to think about traffic safety. Total involvement in traffic safety among the next generation of drivers is essential if we are to reverse our mounting highway death and accident toll."

The Seminar essay contest is open to all Illinois high school seniors and has been endorsed by Ray Page, Illinois superintendent of public instruction; by Harry Fitzhugh, executive secretary of the Illinois High School Association; and by leading Catholic, Lutheran and Jewish high school officials throughout the state.

J. W. Carroll, Seminar president and publisher, Pickwick Publishing Co., Park Ridge, announced that a special Seminar committee headed by Harold E. Hutchings, assistant to the editor, Chicago Tribune, will be in charge of the contest. Final contest judging will be done by a panel of University of Illinois educators headed by Dr. A. E. Florio, professor of safety education.

Winners will be honored at the Seminar's 13th annual meeting on April 24, 1970 at Champaign.

Veterans who have lost their Certification of Attendance card (which should have been mailed to the VA last June) should obtain another one from the VA office that issued it, and mail it immediately to the VA.

October Tax Clinic Scheduled

The Eleventh Biennial Tax Clinic, sponsored by the Taxpayers' Federation of Illinois, will be held in the Hotel St. Nicholas, Springfield, on Monday, Oct. 20. Questions on State and local tax changes made by the 70th Session of the Illinois General Assembly will be answered by a panel of experts.

The Clinic registration desk will be open at 9:00 a.m. and the first workshop session will be held from 9:30 to 11:30 a.m. A luncheon will be held at noon and the afternoon session is scheduled to run from 1:00 to 3:30 p.m.

Because of many tax bills passed by the General Assembly, this year's Clinic will be especially important to county, municipal and township officials and others interested in taxation. Bills were passed affecting State Revenues in the areas of sales, tobacco, cigarette, hotel, beer, alcohol, race track admissions, parimutuel betting, as well as the first State income tax.

In the property tax field, considerable new legislation is on the books. Forty-three bills passed out of 44 introduced by the Full Value Assessment Laws and Rate Limitations Commission during the last session and this legislation will be discussed, as well as tax rate limit changes.

Other major topics to be touched on will include increases in the common school foundation level, increased qualifying property tax rates, increased flat grants and a new State-aid formula for pupil transportation.

Another topic of primary interest will be the creation of the Illinois Department of Local Government Affairs.

Over 400 officials, businessmen and interested taxpayers are expected to attend the sessions.

Maurice W. Scott, Federation Executive Vice President, noted that this program is offered as a public service and urged those interested to mark their calendar now for October 20.

MINE POWER

The power required at International Nickel's new Creighton No. 9 mine shaft — the deepest continuous mine shaft in the Western Hemisphere — and supporting facilities, would provide light for a city of 30,000 people.

State Lions Aids Needy Through Care

Lions Clubs in Illinois have a long reach; the good their members do extends far beyond the borders of the state. The effects of Illinois generosity and compassion are evident in many lands. "Lions" and "Illinois" are words of special significance to men, women and children around the world burdened with a heritage of centuries of poverty.

With the support of Illinois Lions, who contributed \$11,754 during the past year, CARE has been able to provide farmers with seeds, and hand tools; carpenters, shoemakers, auto mechanics and other skilled workmen were given the tools of their trades; schoolchildren were provided with school kits; midwives were supplied with modern, sanitary equipment to deliver healthy babies; and seamstresses were given CARE sewing machines.

Throughout the nation during the past year, Lions Clubs contributed a total of \$147,666 for the support of CARE projects in 23 countries. They built a total of 81 schools; provided desks for 1,600 school children; installed water systems in four Central American villages and an artesian well in the Philippines; and aided the blind in Ceylon, India and Pakistan with Braille typewriters, duplicating machines and teaching aids.

Working through CARE, Illinois Lions in the course of a single year, have left their mark on overseas areas. Some examples of their generosity are:

They sponsor CARE self-help projects in the Guatemalan villages of Buena Vista, Punta Brava, Bocanacha, Gran Canon, Los Planes and Plan Grande, providing each with a school building, and provided classroom supply kits for the students, plus classroom supplies for the teachers, a physical education kit, and a first aid kit.

In Liberia, they provided cement and zinc roofing used for the construction of two-room schoolhouses in the villages of Duayee, Dalhvon and Miaplay.

With all these gifts, Lions of Illinois and throughout the country reaffirm the brotherhood of man by exemplifying their own motto: "We Serve."

Fibrosis Campaign Gaining Momentum

"Early returns from this year's Breath of Life Campaign on behalf of the National Cystic Fibrosis Research Foundation are extremely encouraging." It was announced by Victor D. Spatafora of the First National Bank of Lake Forest, Deerpath and Bank Lane, Lake Forest, the Lake and McHenry Counties bank headquarters for the Greater Chicago Chapter of the National Cystic Fibrosis Research Foundation.

Spatafora stated that close to 4,000 Lake and McHenry County residents are marching their blocks on behalf of the National Cystic Fibrosis Research Foundation.

The Foundation's expanded program now includes Cystic Fibrosis, Asthma lung damage, Chronic Bronchitis, and Emphysema in children.

Of these, Cystic Fibrosis is the most common serious chronic disorder of American infants and children—a disorder which causes the body to produce a thick gluey mucus which clogs the lungs.

Sheriff Joseph I. Woods is the Greater Chicago Chapter's Campaign Chairman and his youngest daughter, Rosemary, has C/F and is the Foundation's National Poster Child.

Sheriff Woods, speaking on behalf of Mr. Spatafora and the Greater Chicago Chapter, urges everyone who has not completed their marcher assignment to please do so as soon as possible and return their marcher kit as instructed.

Chamber To Hear...

(Continued from page one)
Community Relations for Profit.

The topic for his address to the Antioch Chamber of Commerce is "Color It Green" or in other words, how to make your community a better place in which to live.

Gray will speak to the Chamber members and guests on Thursday, Oct. 23, at Lorenz's Smart Country House at 12 noon sharp. For reservations call the Chamber of Commerce at 395-3381. Luncheon tickets are \$2.50 each.

Suggesting a change requires only an idea and words... making the change work requires time and effort.

What's so hot about an Electric Range?

It's cool.

Any cook knows that heat belongs in the oven, not in the kitchen. And the electric oven knows how to keep it there. Because only an electric oven is insulated on all six sides. So the heat stays inside... roasts come out juicier, cakes moister... and your kitchen stays cool. You do too.

What's more, the electric oven bakes faster. Because it's insulated on all six sides, less pre-heating is needed. Even the surface units keep your kitchen cool, because heat is transferred directly into the pot and not out into the air. The handle stays cool... and so does the cook.

Time to replace the range at your house? Then take a look at the only one that knows how to keep its cool.

The electric range.

Where The Boys Are

Hart

U.S. Air Force Staff Sergeant Robert A. Hart, son of Mr. and Mrs. Robert H. Hart, Rt. 1, Antioch, works on a jet engine of an RF-100 Voodoo reconnaissance aircraft at Tan Son Nhut AB, Vietnam.

Sergeant Hart is a jet engine technician assigned to the 3rd Field Maintenance Squadron, Tan Son Nhut Air Base.

A 1962 graduate of Antioch Township High School, the sergeant is married to the former Judith M. Alm, daughter of Mr. and Mrs. William F. Alm, Rt. 5, Antioch.

Army Sgt. Robert L. Smith, 21, son of Mr. and Mrs. Edward A. Smith, 1720 E. Pauline St., Appleton, Wis., received the Army Commendation Medal during ceremonies Sept. 22 in Vietnam.

Sgt. Smith earned the award for meritorious service while serving as a squad leader with Company C, 4th Battalion, 12th Infantry of the 199th Light Infantry Brigade at Camp Frenzell-Jones, from September 1968 to September 1969.

The sergeant entered the Army in January 1967.

He is a 1966 graduate of Appleton High School.

Marine Sergeant Gunnar A. Broberg, son of Mr. and Mrs. Leonard S. Broberg of Route 1, Salem, Wis., was promoted to his present rank while serving at the Marine Corps Supply Center in Barstow, Calif.

His promotion was based on time in service and rank, military appearance, and his knowledge of selected military subjects.

The center, located in the Mojave Desert, provides all supply items for Marine Corps installations in the Western United States and the Pacific.

Moser

Spec. 5 John W. Moser, son of Mr. and Mrs. Frank Moser, of Antioch, recently completed basic and advanced machinist skill development courses at the U. S. Army Ordnance Center at Aberdeen Proving Grounds, Maryland. He also completed a five-week on the job training course in September.

John is a graduate of Carmel High School for Boys, Mundelein, and reported to Ft. Dix, N.J., for further assignment to Vietnam.

John Biddle To Play For Reagan

At the Illinois Salute to Governor Ronald W. Reagan luncheon to be held in Chicago, Oct. 22, the stirring music of the Eureka College "Collegiate Band" will undoubtedly remind the governor of his own years as a student and football player at Eureka. John Biddle, Antioch, plays with the 35 member band which is directed by Richard N. Olsen, assistant professor of music.

Cooking School Nov. 13

The seventh annual Co-Op Cooking School, "Holiday Cook-In," will be held Thursday, Nov. 13, in the West Campus Auditorium at 7:30 p.m.

Sandra Mount, Home Service Director at the North Shore Gas Gas Company, will prepare the food using a complete-gas kitchen set up on the stage. The kitchen cabinets will be through the courtesy of J. Blumberg, Inc. Sandra will be assisted by Peggy Dietzel.

Korl's Sixth Avenue of Waukegan will present a Fashion Show, and the Zion Senior Citizens' Kitchen Band will entertain.

Any non-profit organization may sell tickets to this event at \$1, keeping 50 cents for each one they sell to enhance their treasury. Co-Op in turn donates all net profits from the Cooking School as a scholarship for some Lake County high school student. More than \$1500 has been donated from the last three cooking schools. If you wish to participate call Audra Ikan at MA3-0713 for details.

The grand prize at the "Holiday Cook-In" will be a 30" Crown gas range donated through the courtesy of Petropoulos Bros. and may be claimed even though the winner is not present. However, all other prizes must be claimed on the spot.

Each person attending will be given a Holiday Cookbook.

Auditions For Show On Sunday

Auditions for the first PM&L production in its new home at the Antioch Country Club will be held this Sunday, Oct. 19 from 2:00 to 4:00 p.m. in the theatre lounge at the Antioch Country Club, Rte. 59 and Grass Lake Rd.

The first play will be a melodrama, "Only an Orphan Girl," a soul stirring drama of human trials and tribulations in 4 acts. It will be given for four weeks beginning November 21 with performances on Friday and Saturday evenings. Ten actors and actresses are needed as well as several specialty acts to perform in olios during intermissions.

Crew members are needed so anyone interested in any aspect of "theatre-in-the-square" is cordially invited.

In order to begin planning for the February variety review "FanFare!" and since novelty acts are needed for "Orphan Girl", interested people can also try out for "FanFare!". Dancers, singers, comedians, "groups"—we need you!

Co-op Clubs Set Meeting Dates

The Co-Op Needlecraft Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington St., Waukegan (in the basement of the Co-Op Food Center) on Monday, Oct. 27, at 7:00 p.m.

Mrs. Elsie Hagen, program chairman, will direct the making of a Bath Towel Doggie. Each one should bring one large bath towel and a wash cloth to match, about two yards of grosgrain ribbon, needle and thread.

Mrs. Leo Gunn, president, invites the public.

The Co-Op Travel Club will hold its popular monthly meeting in Pioneer Hall, on Tuesday, Oct. 28 at 7:30 p.m.

Mr. Owen Thomas will present colored slides of his trip to Japan.

Mr. Harry Anderson, president, invites the public.

Parents of Son

A boy was born to Mr. and Mrs. Chester Dale Goza, 900 N. Rt. 59, Lake Villa, on Oct. 7, 1969, at Lake Forest Hospital, Lake Forest, Ill.

The baby's name is Gary Steven. The Gozas have another son, Anthony Lester, 18 months. The maternal grandparents are Mr. and Mrs. Eugene Zannini of Rt. 3, Box 225, Antioch, and the paternal grandmother is Mrs. Margaret Goza, of 1610 Sunset Ave., Waukegan.

Army Nurse Has A Busy Career

"Busy" is the one word Army Nurse Captain Karen Uhler uses emphatically when asked to describe her new duties as the army nurse corps counselor in northern Illinois and northwest Indiana. In her new job only two months, Cpt. Uhler says that she never "dreamed that so many people could have so many questions about army nursing."

The attractive young blonde came to her current position in August from an assignment at Walter Reed Army Medical Center in Washington, D. C. An ex-

Capt. Karen Uhler

perienced specialist in cardiac care nursing, the young Cpt. Uhler was assigned to Ward Eight at Walter Reed. This is the section of the hospital reserved for important government officials and high ranking military officials. It was on ward eight, that Cpt. Uhler worked as former President Eisenhower's private nurse.

Cpt. Uhler's memories of the General are admittedly personal. She remembers him as always cheerful and in high spirits; frequently worried about the country, but always optimistic about the ability of the American people to handle anything.

She misses most of all, General Eisenhower's warmth and friendliness. "He treated me like a daughter. He even worried about my car payments and kept track of them so I wouldn't forget to pay them. He loved cooking and we would compare notes on recipes."

Cpt. Uhler is well trained for her new job as an army nurse corps counselor. She enlisted in the army's student nurse program while in college. With aid provided from this army scholarship she completed her BS in nursing from Ohio State and entered active duty in 1967. After entering active duty she attended the army nurse orientation at Fort Sam Houston, Texas, and then went on to Walter Reed. She completed a cardiac care unit course while at Walter Reed.

All of this varied background helps her to counsel young aspiring nurses, registered nurses, and their parents, as to what the army's all about—and more importantly to Cpt. Uhler, just what it's like to be an army nurse.

Working from her office at 615 W. Van Buren in Chicago, Cpt. Uhler travels throughout northern Illinois and northwest Indiana talking in nursing schools, and with "just interested people." She added quickly that although her schedule is always "busy," she can "always work in one more person who would like to learn about the corps."

When asked about her future, she said that someday she would like to get her masters degree. But right now, she just likes nursing, nursing in the army, and the opportunity to tell people about the things she likes best.

Mr. and Mrs. Palm Return From Spain

Mr. and Mrs. James Palm recently returned from a tour which took them to Madrid, Spain, Tangiers, Morocco, and through the Casbah.

Their trip took them by boat to Tangiers and included a view of the Rock of Gibraltar and back to Spain.

In Spain they visited Madrid's cathedrals, castles and saw outstanding paintings of the world. They also saw Flamenco dancers in the resort area of Marbella and belly dancers in Tangiers. They visited the Valley of the Fallen which is a tomb for 38,000 who fell during the Spanish Civil War between 1936 and 1939.

It took the Palms some getting used to for dinner at 9 p.m. inasmuch as in Spain the siesta hours from 1 p.m. to 4 p.m. are observed—and business places do not reopen until 8 p.m.

PM&L Gives Awards At Banquet

The 5th annual awards dinner of the PM&L was held last Saturday evening at the Antioch Country Club with some 135 persons attending.

Robert Currie, of Scotland, a magician, entertained the audience assisted by Caroline Costoff, Ken Smouse and Gus Costoff.

Gary Richter was selected for the Hunley Award as "Mr. Thesis," for his role as Indian Joe in "Tom Sawyer."

Director's awards were made to Jo Anne Springer, Dr. James Kupriya, Mike Ciesielka, Dr. Anne Barlow and Pat Wellman. William Brook was given the president's award, the first time the award has been given.

Officers of the PM&L include Ken Smouse, president; Al Ramsay, vice president; Linnea Ser-shon, secretary, and Hank Apostol, treasurer.

Board members include Bob Thomley, Wayne Bentel, Mike Ciesielka, Valerie Hunley, Don Beveroth, Josef Hunley and Gary Richter.

Social Notes

By Del Jahneke

The Walter Millers of Channel Lake, accompanied by Mrs. Ken Miller and children have returned home from an enjoyable weekend vacation.

They first visited "Little Norway" in Wisconsin, some 25 miles southwest of Madison. Little Norway is all its name implies as a small edition of Norway. The Millers next visited the Cave of the Mounds, at Blue Mounds, Wis. This pre-historic fairland, discovered as recently as August 1939, is Wisconsin's newest big tourist attraction.

Spending the night at a Holiday Inn Motel, the Miller family decided to see the famed "House on the Rocks" at Dodgeville, on Sunday. They said that although they were happy to see this House in the Rocks, they wouldn't care to live in it. Their last stop on the way back to Antioch was at New Glarus, "Little Switzerland" in Wisconsin.

This two day trek only encompassed traveling a few hundred miles, and the Millers were entranced with all they had seen and accomplished. They said they hadn't realized there were so many wonderful spots to visit so near at hand.

The Ray Rathmanns of Oakwood Knolls spent the previous weekend at Lake Koshongong, Wis., in the summer cottage of Mr. and Mrs. Herbert McKaskay, of Palatine. Mrs. McKaskay is Mrs. Rathmann's cousin. The children found the weather and water warm enough for wading, while the adults worked at winterizing the cottage. Despite the work, all agreed they'd had a pleasant time.

FIFTIETH ANNIVERSARY
Mr. and Mrs. Irving Veltum celebrated their Golden Wedding Anniversary on October 11th, with dinner at the Antioch Restaurant and a reception following at the Antioch American Legion Home, for some 55 relatives and friends.

Their two sons and the families (the Vernon Veltums of Wilmet, Wis., and the Erwin Veltums of Westerville, Ohio) planned this lovely party for their parents.

Mr. and Mrs. Gustave Veltum of DesPlaines, and Mrs. Frieda Norman from Colorado, brother and sister of Mrs. Veltum, and Edward Veltum, Mr. Veltum's brother, were among the guests there. The Irving Veltums reside in the Channel Lake area. Heartiest congratulations are extended to this happy couple.

Sue Ellen Is Busy As Bride-To-Be

Sue Ellen Vos is a busy bride-to-be.

Miss Vos attended a shower on Oct. 11 given by an aunt, Mrs. Walter Schultz, and a cousin, Mrs. Ira Council and daughter, Patti, in Union Grove, Wis.

The following day she was guest of honor at a shower given by Mrs. Raymond Johnson, Mrs. Ruth Sorenson and her daughter Darlene Johnson, the family of the groom.

A buffet supper was served.

Ceramic Show Set For This Weekend

The 4th Annual Lakes Region Ceramic Show will be held in St. Mark's Hall, 7117 14th Ave., Kenosha, Wis., on Saturday, Oct. 18, from 4 p.m. to 9 p.m. and Sunday, Oct. 19, from 1 p.m. to 6 p.m.

Antioch Tops Win Honors In County

TOPS Cheerful Losers of Antioch, are very proud of their members and rightfully so:

At the Lake County Rally held October 3rd at the J-M Club in Waukegan, the Antioch chapter of the International organization of Tops saw one of their members, Mrs. Bonnie Kuhlman crowned Four Month Rally Queen with a 35-lb. loss for this period.

The pre-teen chapter rally queen, Vicki Haven was presented a rose for her loss during the 4 months contest.

The 1968 chapter queen, Marion Garrett was presented a rose for maintaining her weight since Dec. 1968 and was given another rose as an award for maintaining her weight as an award winner. Second place in Div. 2 since 1967.

Many people enjoyed the dress parade. Participants from the Antioch Chapter were Florence Kroeh, Bonnie Kuhlman and Betty Brainerd. You must have lost 25 pounds in Tops to take part.

Our alumna Mrs. Lynette Stalfeldt, received recognition for keeping her Kops status over a year.

Bonnie Kuhlman presented a song entitled "You Can't Get a Man with a Bun."

The Club won 1st place on their banner in the banner parade. The banner was carried by Florence Kroeh and Betty Brainerd. The banner was designed and made by Grace Strahan.

Another blue ribbon was won by the exhibit showing contests and prizes used to inspire people to lose weight. The exhibit was made by Marion Garrett and Gerri Duncan.

The Antioch group was well represented with 21 members and guests in attendance. Gerri Duncan is the leader of the group which meets every Thursday night at 8:00 p.m. in the Community room of the Savings & Loan. New members are welcome at any time.

Grass Lake PTA Dinner October 20

The Grass Lake School PTA will feature its annual Pot Luck Dinner on Monday, Oct. 20 at 6:30 p.m. in the school cafeteria.

The dinner will be limited to adults, and all parents of the school are invited. Many gourmet dishes will be served and a fun evening which will include a cake auction, has been planned.

On Friday, Oct. 17, the PTA will offer another special movie to the children of the school at 2:30 p.m.

The movie will be over at 5:15. A donation of 40c includes refreshments.

The Grass Lake PTA will sponsor a rummage sale on Saturday, Oct. 25 from 9 a.m. to 5 p.m. in the school gymnasium. "Attic Treasures" and good useable merchandise will be appreciated.

A family night movie has been scheduled for Friday, Dec. 12 at 7:30 p.m. All parents and children are urged to keep this date in mind.

Anyone desiring further information regarding PTA events should contact Mrs. Evelyn Dean, 365-5629, president of the organization.

Antioch AARP To See Films

Members of Antioch Area Chapter, 387 of the AARP were entertained with films when attending the chapter meeting on Tuesday, Oct. 14.

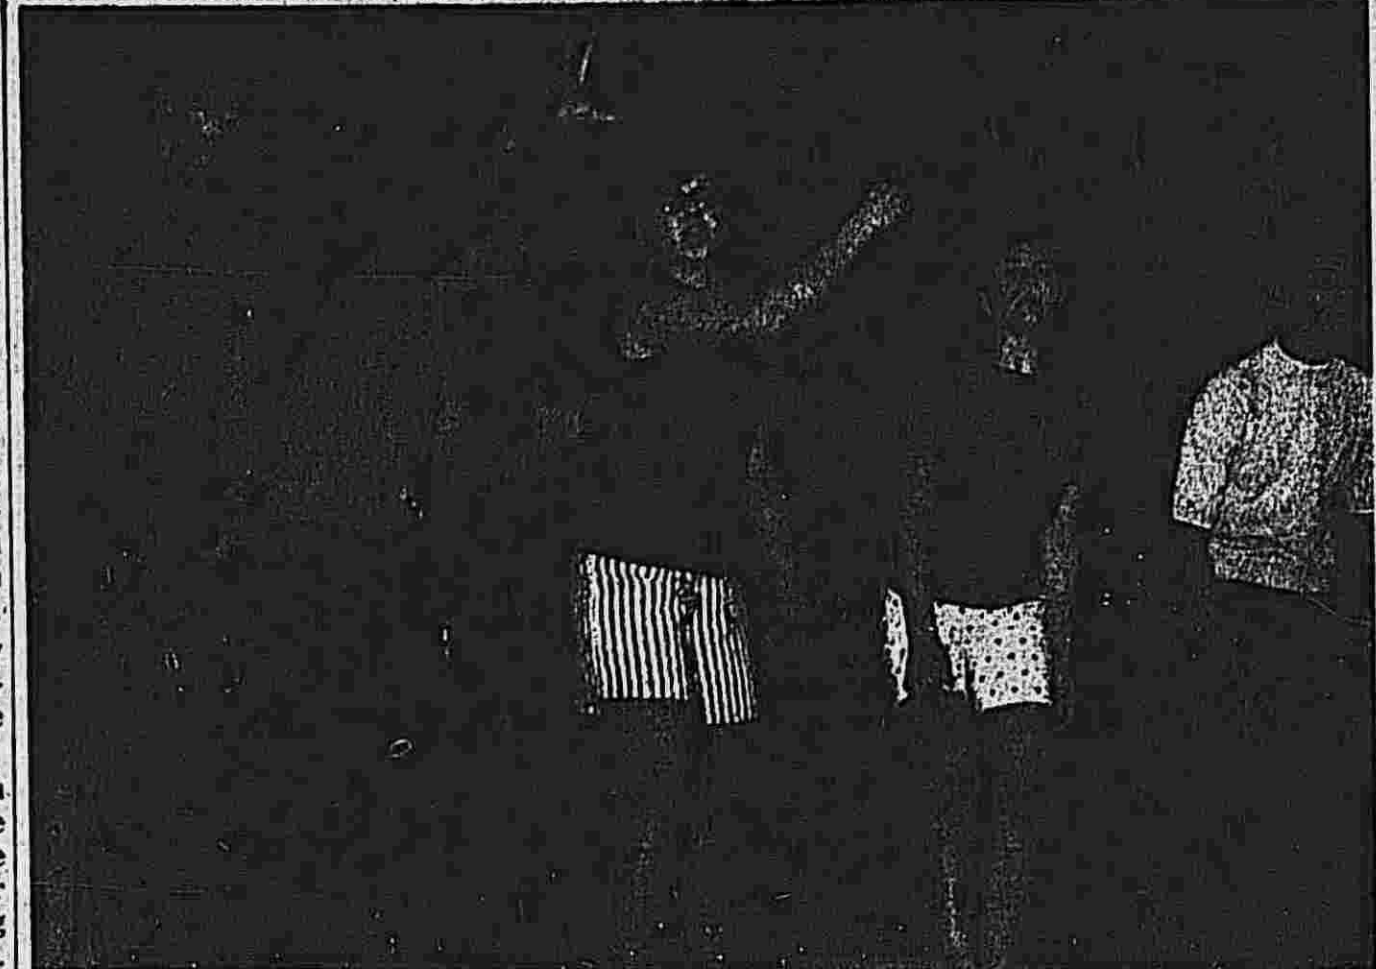

The Chrysler Film Corp. is furnishing a double feature film with titles: "Tournament of Roses Parade" and "The Music of Modern America."

On Wednesday, Oct. 15, 60 members off the chapter went by cars to the Shady Lane Theatre at Marengo, for dinner and matinee.

A new membership count has been on by the officers of the Antioch chapter and the latest figure now registers the total paid up members for 1970 at 169.

The Wells High School Alumni Association will meet on Friday, Oct. 17, 1969, at 8:00 p.m. in the Edison Park Fieldhouse, 6755 Northwest Highway, Chicago.

The recent All Class Reunion was very successful and future social events for the association will be discussed at this meeting. All Wells Alumni are invited to attend.

"Camelot" will be presented on Nov. 7 and 8 at the Central High School, Salem, Wis. Members of the cast include, from left, Jamie Waldo, Gene Glos, Judy Butler, Sue Daniels and Greg Richards.

THURSDAY, OCT. 2

Moosheart and Mooshaven Committees "Christmas in October" Moosheart committee was in charge of the chapter night program.

Their guest speaker for the evening was Mrs. Phyllis McMillen (a native of Antioch). Mrs. McMillen and her daughter, Mrs. Ann Kakaek showed a historical collection of fans. Mrs. McMillen was given these fans by Mrs. Emily Yeager, (Judge Yeager's wife) which belonged to her mother, Mrs. Achin Black. After a year of research to learn the history of the fans, Mrs. McMillen started giving shows with the fans grouped with historical costume dress. At our show Mrs. Kakaek was dressed in an oriental Princess gown with headdress which was very beautiful.

Three candidates were enrolled. The candidates were Bernice Greenhill and daughter Donna Michalski, from Chicago, sponsored by Senior Regent Rose Marie Hadley; also Treasurer Marjorie Hartman sponsored Lillian Clark. The pro-tem sponsors were co-workers Elnora (Pat) Sperling and Leslie Jones. And our Star Recorder Rose Roth. Acting Senior for the evening was Junior Regent Anne Stickler.

Marge Saugstad (Mooshaven pro-tem chairman) presented checks to the Moosheart Christmas Fund. The committees had their Christmas march of gifts and there were many nice gifts given to send to Moosheart and Mooshaven. These committees thank the co-workers for coming and wish than more could have come and enjoyed the early Christmas.

A MESSAGE FROM THE SENIOR REGENT
To all co-workers, remember our Star Recorder's chapter night program, Thursday, Oct. 16. A special occasion for our Star Recorder Rose Roth. Everyone that knows Rose will remember her as a real fun person and a good worker for Moose functions. I'm asking for the co-workers that can come on this night for Rose. It's her night and would make a real fond farewell for her, since she'll be leaving us soon to move to her new home in sunny Florida. A suggestion has been made that co-workers come in with a gimmick for this night. A small thing for Rose, but would make for many pleasant memories from all of us for years to come. Let everyone make it a fun night for our Star Recorder.

The project this year is "Total Energy." Every co-worker can help with this project. It's a project to help safeguard the children at Moosheart. When co-workers enroll new members, work on their money making projects, and help at other Moose functions, they are working for Total Energy. And not only this project you're helping your chapter, supporting your officers, and your other co-workers and their committees. When you support Moose you're helping our friends and our ever widening circle to support our communities and to bring our standards from the heart.

Our monthly meetings are always the first and third Thursdays in the month. First meeting is chapter night program which is always enjoyed. Our second meeting is generally business. We have enrollment of our new members at our first meeting, unless there's a special chapter night program on the second meeting of the month. We enjoy our meetings and especially when we meet our new co-workers or visitors from other chapters. Come and see our Moose home and meet the jolly co-workers.

TUESDAY, OCT. 7
Chairman Beatrice Phillips held a friendship meeting at the Moose Home. Twenty-three members came and business for the year was discussed.

THURSDAY, OCT. 16
Star Recorders chapter night, also regular business meeting with an enrollment.

SUNDAY, OCT. 26
Halloween party for the children at the Moose Home from 2 to 5 p.m. Also on this date, quite a few of the co-workers will be down in Decatur, watching Junior Graduate Regent Shirley Gehrls receive her green cap.

Also included in the sermon is this passage from Science and Health with Key to the Scriptures by Mary Baker Eddy: "Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage."

Services at First Church of Christ, Scientist, on BEACON HILL, Rte. 173 & Harden, Antioch, are held at 11 A.M. All are welcome.

Salem To Present Camelot

"Camelot" is becoming a reality at Central High School. Rehearsals are progressing as scheduled and backstage work has begun. Directing the production once again are Terry Havel, Drama; Keith Lunde, Vocal Music; Edward Stevens, Instrumental Music; and Mrs. Betty Koencke, Choreography.

John Fleischer is the art director, being assisted this year by Mrs. Karen Scott, a new addition to the Art Department at Central this year. Three students in advanced art, Sally Hewitt, Chris Vlahakis, and Mari Zwirgdsas are assisting Fleischer and Mrs. Scott with the art design. Students in the art department and the drama club will paint and construct sets under Fleischer's design.

Karen Erickson and Patty Beyers are serving as assistant directors for the production. Jim Ford, who as production co-ordinator, is in charge of supervising the various crews and committees connected with the musical.

Becky Greslik is in charge of the committee for soliciting of advertisements for the program book. The cover will be designed by an art student. Other students involved in the production include Kathy Badtke, ushers chairman; Pat Beyers and Karen Maaske, props co-chairmen; Steve Durkin, lighting supervisor; and Neil McCarthy, backstage manager.

Tickets and publicity are being handled by Mari Zwirgdsas. Tickets for the show are now available from any cast of CHS Drama Club member. They may also be obtained by sending a check or money order to Central High School. Tickets are again on a reserve seat basis at \$1.25 per ticket. The production is slated for 8:00 p.m., Nov. 7 and 8.

Barat College Will Do Virginia Woolf

The Barat College student production of Edward Albee's "Who's Afraid of Virginia Woolf?" will be presented in the college's Hillon Theatre in Lake Forest on Oct. 19 through 25, at 8 p.m.

Ginny Arado, a senior in the Speech and Drama department, directs a cast which includes Audrie Neenan as Martha, Gustav Morner as George, Paula Kunz as Honey, and Peter Mugerditchian as Nick.

Three Central Students In Musical Show

By Lillian Birdsell

The members of the Antioch Moose Hunt Club who have been patiently waiting for the opening day of the hunting season, are all prepared for Saturday, Oct. 18, when it officially opens. Harold Kempner, secretary-treasurer, informs me that 40 birds will be released for this weekend and that permits can be obtained at the farm for those who need them. The benefit project which is sponsored by the hunt club will be held at the Antioch Moose Home on Saturday evening, Oct. 18, starting at 9 p.m. Some lucky person is going to receive a beautiful colored television set on that evening. All members and their friends are invited to attend this social get-together and enjoy an evening at Moose.

The Legion get together and pot luck will also be held at the Moose Home on Saturday evening, Oct. 18. It is scheduled to start at 6:30 p.m. This gathering is usually held on the third Sunday of every month but since the Zion-Benton Moose is featuring a Pilgrim Robing on this Sunday, the legionnaires changed the date to Saturday for this month. Many of the members have made plans to attend the robing at Zion-Benton to congratulate Paul Nelson, who will be receiving his robe. A short meeting will be held following the pot luck to get functions started for the new year and then a social hour will follow. Since this meeting is being held on a Saturday evening instead of a Sunday afternoon, it is with hope that those members who are unable to attend on Sunday will make this gathering on Saturday.

About 50 members from the various lodges attended the dinner given in honor of past North Moose, Gene Hanner, which was held at the Antioch Moose Home on Saturday, Oct. 11. Homer Beach, pilgrim from Greater Three Lodge was the guest speaker for the evening. The women officers of the chapter entertained the guests with a fine performance and Al Sheridan of Highland Park supplied the music for dancing.

Governor of the Antioch Moose Jerry Kusch, presented the past governor, Scotty Birdsell with the 75 Club pin award, at the last meeting, Wednesday, Oct. 8, in recognition of his efforts for sponsoring members for his lodge. His 75 Club label will be placed in his plaque which hangs on the wall in the Moose Home which signifies attainment into the 75 Division. All of these awards and more can belong to any one of the members with just a little effort on their part. Total Energy is this year's project for the Moose Domaine and it requires the support of every member and now is the time to get active. The second quarter will be featuring a new campaign for members who sponsor candidates, and every one is eligible to compete. Check your Moose Calendar for the next enrollment date.

A birthday dinner will be served following the regular scheduled meeting of Wednesday evening, Oct. 22. This is to honor the members who have a birthday this month. All members who attend the meeting are invited to attend the dinner to help the birthday brothers celebrate. Mike and Bea Phillips are scheduled for the Fish Fry on Friday evening, Oct. 17, to be held at the Moose Home. Serving will start at 6 p.m. and continue until 9 p.m. All members and their friends are invited to attend.

County Board To Award Contracts

Contracts for furnishing gasoline, diesel fuel, lubricants and tires for various county departments were expected to be awarded at a meeting of the Lake County Board of Supervisors on Tuesday of this week.

Low bidder on gasoline and fuel was American Oil Co.; Phillips Petroleum Company was apparent low bidder on lubricants; and Waukegan Tire Co. the low qualified bidder on tires.

Two major highway projects under the supervision of the Lake County Highway Department are nearing completion.

Wadsworth Road from Green Bay Road to Route 41 has been resurfaced and lined. All work, including grading of shoulders and re-seeding should be finished in about two weeks.

Resurfacing of Route 63 from Rt. 22 near Lake Zurich to Rt. 176 west of Mundelein will be completed in about two weeks.

Paving began Oct. 3 on the new underpass which will link the Sunset Avenue extension from Green Bay to Delaney Road, west of Waukegan.

Three students will represent Salem Central High School at the 2nd annual October Music Festival to be held at St. Norbert's College during the weekend of October 17, 18, 19.

The three are Lance Karow, flutist, Rilla Haugen, saxophonist, and Lisa Lichter, bassoonist. They will perform with the 60 piece festival band under the direction of Mr. Gerald Matern, Assistant Professor of Music at the college. They were selected from more than 500 applicants from five states.

Mr. Edward Stevens, band director at Salem Central will accompany the three girls to the Festival.

Central High Community Club will sponsor a card party Saturday, Oct. 25 at 8 p.m. at the high school. Proceeds for scholarships, science awards, and music clinic is the aim of the club. All members and friends are invited. Prizes will be given and lunch served.

Central High School students who expect to complete their secondary school requirements and to enter college in 1971 can register now to participate in the 1970-71 National Merit Scholarship Program, Prin. Vaughn Sorenson announced this week.

The first step for all students who wish to enter the nationwide Merit Scholarship competition is to take the National Merit Scholarship Qualifying test. The test will be given in the school at 9:00 a.m. Saturday, Feb. 14, or Tuesday, Feb. 17, 1970.

The highest-scoring students in each state will be named Merit Program Semifinalists and will be eligible for Merit Scholarship consideration.

About 21,800 students have won Merit Scholarships in the fourteen programs to date. Approximately 3125 new winners of Merit Scholarships entered college this fall. Seniors are urged to get in touch with their counselors for more information concerning this.

Color Movie

An American boy's encounter with Masai Tribesmen deep in the African grasslands sets the stage for "Wild Country," a 30 minute color motion picture shown October 14 and 15, at the Awana Clubs of the Antioch Evangelical Free Church. The appearance of the film in this area is sponsored by the church. Produced in the fabled big game areas of East Africa, and featuring Tonko, a pet cheetah, "Wild Country" tells the story of an American boy living temporarily on a large ranch, where his father, a university professor from the U.S., assists with a study project on the habits of wild game.

The boy encounters a variety of wild life, ranging from lions and elephants to rhino and a giant python, but these lose significance in the wake of his adventures with a young Masai lad, whose simple demonstration of the Christian Faith brings the boy and his parents to the most compelling discovery of their lives.

Renschen Named Bank Group Head

The Northeastern Illinois Chapter of the Bank Administration Institute (formerly NABAC) held its first meeting of the year recently at the Adria Restaurant in Lake Bluff.

The featured speaker of the evening was Joseph Lutz, controller of the Curreney and his subject was the new bank protection act. Forty-one area banks were represented at this meeting.

The new chapter officers for the ensuing year are H. C. Renschen, vice president and cashier of the Bank of Waukegan, president, Richard E. Nylander, president of the Lake Villa Trust and Savings Bank, vice president, Grace Armstrong, assistant cashier and assistant secretary of the Winnetka Trust and Savings Bank, secretary, and Jerald W. Milligan, vice president of the Northwest Trust and Savings Bank, treasurer.

Mothers Club Will Hold Carnival

St. Peter's Mothers' Club will hold a Halloween carnival on Sunday, Oct. 26 from 1 p.m. to 6 p.m. at the Social Center in Antioch. There will be pony rides, cake walks, and many games especially for the children. Refreshments will be available and prizes will be awarded for the best costumes. Judging will be at 3 p.m.

Queen candidates for Homecoming Saturday are, from left, Jan Strahan, Debbi York and Barbara Geiger.

Queen attendants include, from left, Sue Moran, Heidi Petty and Kathi Walpole.

in Vietnam and that all of our citizens lend their full support to the men on the fighting front.

"Frankly, we are sick and tired of listening to a very vocal minority undermining the bargaining of our President and in so doing endangering the lives of our men on the fighting front."

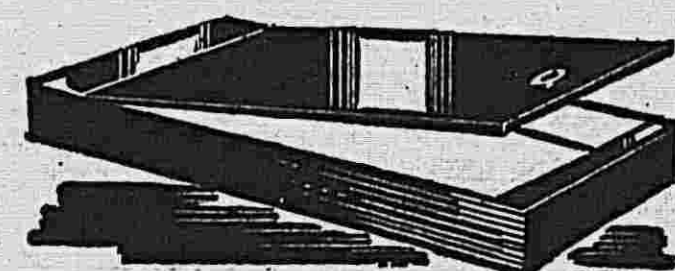

"It is my belief that the time has come when the much talked about silent majority should speak out. We must let the men on the battlefield know that they have the support of the people at home and we must let Hanoi know that the President has the support of the people in this country."

"It is my hope that the people of this area will speak out on this issue and that other patriotic, civic and fraternal groups will join with us in this crusade."

"I am firmly convinced," Commander Horton concluded, "that if we fail to speak out now, the vocal minority in this country will most certainly take over all that is meaningful in this land of ours. No one seeks peace more urgently than the Veterans of Foreign Wars, but we will not seek peace at any price which is what the vocal minority is calling for today."

THE ANTIOCH NEWS—6

Sequoits Beaten By Lake Zurich

"It's hard to believe the feeling going through the locker room at Antioch High School as the fighting Sequoits lost to Lake Zurich 12 to 0.

Statistically Lake Zurich had no business even being on the same field with Antioch. However, as the Sequoit coaching staff pointed out "You don't win games on statistics, you must score touchdowns." This appears to be more of a problem than it looks like since the Sequoits have scored only 45 points in 5 outings and have had 74 scored against them.

"Big plays have hurt us," the coaches said. "There has been only one team to run for more than 100 yards against us and that was because they had a 96 yard run. In every game we've lost the deciding factor was either a long pass or a punt return. We're not trying to make excuses," the staff continued, "but our defense can't be blamed for these losses. They are probably the stingiest defense in the county, however, we make too many mental errors once we get near the goal line and stop ourselves."

The selfishness of the Sequoit defense can certainly be seen in the week's game since Lake Zurich was only able to get 20 yards rushing in 24 plays and 136 yards passing in 13 completions, one of which was a 48 yard touchdown pass.

Antioch, on the other hand, rushed for 105 yards in 33 plays and passed for 143 yards in 11 completions. Altogether Antioch ran 62 plays for 248 yards and 13 first downs and punted only twice, one in each half. Lake Zurich ran 46 plays for 156 yards and 7 first downs and punted 7 times.

The game was delayed twice due to injuries to Antioch's Rick Nelson, who was knocked out while throwing a key block on a long punt return by Kevin O'Neill and when Keith Bolton was flipped as he went high to snare a pass.

Altogether, Antioch had 4 of their starters injured and on the bench before the first half was over. Jon Story received a cracked wrist and Terry Triplett was shaken up. Triplett, Nelson and Bolton all returned to action in the second half.

The Sequoits are now in preparation for their homecoming game against Grayslake. Let's hope they break their TD jinx and make Saturday a real Sequoit happening.

Antioch 0 0 0 0—0
Lake Zurich 0 6 0 6—12

An Antioch ball carrier is swarmed over as he makes a few yards against a tough Lake Zurich team.

The action was tough last week between the Antioch Sequoits and members of the Lake Zurich team which saw Antioch go down to defeat by a 12 to 0 score.

Junior Varsity Winner

Antioch J.V.'s — "A winning training ground."

With two games left on their schedule the Antioch Junior Varsity team is 4 and 1 with wins over North Chicago, Lake Forest, Round Lake and McHenry and their only loss was to Wauconda.

"J.V. games are our training ground," Head Coach Nelson pointed out. "My two assistants

take the team and analyze the players to see if they're ready to play varsity."

According to the coaches the games are fun because there is no pressure but the kids know it's a chance for them to possibly earn a starting spot on the varsity, so there isn't much clowning around.

"The J.V. games have helped develop quite a few boys for us," the coaches stated. "As a matter of fact these games are usually just what some of the boys need to become great varsity ball players."

The coaches stated that they use the J.V. games to try out new plays and also to give extra work to players that need it.

Antioch Freshmen Continue To Win

Antioch's Freshman football team continued its winning ways Monday by crushing Lake Zurich 50-0. The "A" team record is now 5-0 and the "B" team record is 4-0.

In the "A" team game Antioch started out a little shaky by fumbling once and being penalized six times during the first 12 minutes of play. The Frosh Sequoits then settled down and played their best game of the season.

Tom Pfahler recovered a Bear fumble on the Antioch 42 yard line and one play later Tom raced 56 yards to score. He also scored the two point conversion.

In the second quarter Antioch had to work hard to overcome several penalties. Fred Popp scored on a 17 yard reverse with 2:47 left in the half. A successful PAT was nullified by an offside and a second attempt was no good. On the first play from scrimmage by Lake Zurich, a Bear runner fumbled and Charlie Chapman recovered on the Lake Zurich 26. The Sequoits moved in quickly to score with Chapman going over from the 3. Pfahler scored the 2 point conversion.

The second half opened with Chapman recovering another fumble on the 50 yard line. Chapman ran for 5 yards and then passed to Scott LaChance for 33 more. Charlie then swept right end for the last 12 yards. The PAT was no good. After another fumble recovery Antioch scored in two plays. Pfahler went through the line for 21 yards and then grabbed a pass from Chapman for the T.D. Chapman ran for the PAT. Antioch kicked off and on the first play from scrimmage Bob Dow made his second fumble recovery on the Lake Zurich 34. Three running plays gained 9 yards before Andy Feldmann went off right tackle and bulldozed 25 yards to score. A pass to Gordy Silanoff for the PAT was incomplete.

The final Antioch touchdown came in the fourth quarter. Chapman passed to Scott LaChance for eight yards and a score. Fred Popp had set up the score with a run of 28 yards. Chapman scored the PAT. Antioch was driving again late in the

game as Tim Meure at quarterback completed two passes for 28 yards. The clock ran out, however, with Antioch on the 10 yard line.

Coneh Norm Hahn was full of praise for his charges. "This was our best game to date. We gained a total of 347 yards, 105 in the air. I have to credit both the backs and the line. The backs ran very hard, often bullying for the extra yardage. The line did a fine job, opening good holes. Pass blocking was very good. As usual the defense was outstanding."

In the "B" game everybody got into the action. Tim Meure scored from 30 yards out on a quarterback keeper.

Mike Nischan scored twice on dives through the line and Mike Harvey scored on a 35 yard reverse. Three two-point conversions were scored by Greg Dickson. The Sequoits dominated the play and Lake Zurich never threatened to score.

Coach Wapon's "B" team has now allowed only 8 points in four games. Three opponents have been shut out. The next frosh game is Friday when a "A" team plays at Grayslake. The "B" team will play Grayslake at home on Monday.

Inside Line Backer Tony Baczynski, Dave Donica

Outside Line Backer Larry Loef, Ken Sterbenz
HB. Bill Gaa, John Coia.

Two sustained drives against Wauconda the previous week has been the most outstanding effort of the season. Both of these resulted in a touchdown. The first came in the second quarter and the second in the fourth. After alternating carries between Sterbenz and Gaa, Sterbenz scored from the one yard line. The extra point was good on a pass from Coia to Tell. On the second drive Antioch ran 17 plays moving from our own 21 yard line to score on Brasfield's eight yard plunge. Sterbenz carried 8 times, Gaa 6 and Brasfield 3 to make it a really fine effort.

Don Nichols, right, of LaGrange Park, new Illinois State Individual Fishing champion, receives trophy from Barney Shunnesson, owner of the Channel Lake Boat House who conducted the contest for the 9th straight year. Nichols won his trophy with a 20-inch 3-3/4 pound largemouth black bass and a 23-inch northern pike.

Titans Beat Panthers At Salem

In the Salem Intramural football league, the Titans scored an overwhelming 38-19 victory over the Panthers. Once again the offensive and defensive lines of Titans opened holes for the Titan backs or closed holes in the Panthers' lines. Shining in the victory were Costanzo, Stramp, Paddock, Flaschner, Glasman, Verzal, and Johnson who are the key to the line play, while McAlister highlighted the backfield action.

The Salem Indians pulled off the biggest upset of the Intramural football season, as they scored their first victory of the season when they defeated the first place Razorbacks, 13 to 7. The defeat dropped the Razorbacks into a first place tie with the Titans. An outstanding defensive battle by both teams, the Indians were able to score late in the game when LaMeer passed 15 yards to Sheehan.

The Salem Badgers received a jolt to their first place dreams when they were tied by the fourth place Panthers, 14 to 14. In the second rugged defensive battle in as many nights, the Badgers were fortunate to escape with a tie but it dropped them a game and a half behind the first place Razorbacks and Titans. Pacing the scoring for the Panthers were Glover, Ketterhagen and Plants while House and Merrill led the Badgers.

Each man must earn his own dignity.

Nichols Is State Angling Champion

Don Nichols of LaGrange Park, a United Air Lines' jet pilot, who fishes for relaxation, is the 1969 Illinois State individual angling champion.

He won his second title on Sunday, Oct. 5, by defeating 32 other finalists in a seven-hour fishoff on Channel Lake and Lake Catherine in the Chain O' Lakes of north-eastern Illinois, near Antioch. Nichols caught two fish, spoon-plugging, to total 340 points. Bob

Lang of Ingleside, 1968 winner, finished second with 187 points by catching four small largemouth black bass, slightly longer than 10 inches apiece.

The new champion hooked a 3-lb., 12-oz. largemouth black bass and a 23-inch northern pike, both in Channel Lake. He also won the crown in 1962. He said:

"I've been fishing for a long time, but it's always a thrill to catch fish, especially in a state tournament when you face such experienced anglers. Lately, though, I haven't been fishing as much as I would like, because of a busy schedule. My reason for angling is to relax."

Jerry Egnath of Round Lake was third with 103 points; Robert Pavlis of Hanover Park was fourth with 100 points, and Ben Landers of Calumet City had 96 points for fifth.

The new champion received a trophy from Barney Shunnesson, owner and operator of the Channel Lake Boat House, who has conducted the state meet for the tenth straight year.

Twelve of the finalists caught fish. Although the day was beautiful—warm and sunny—the fish just didn't cooperate.

"In previous meets, the weatherman didn't cooperate. This year, when he did, the fish went into hiding. The anglers, however, did probe every inch of water on our two lakes seeking to locate the fish, but even this extra effort didn't make it a productive seven hours of fishing. As they say in sports, 'there's always a next year'."

Falcons Are Still Undefeated

The Salem Falcons remained undefeated in the Westosha Baseball Conference as they downed Riverview, 19 to 4. Once again they combined a strong defense, a powerful hitting attack and good pitching as they remained in first place.

The Falcons wrapped the game up early as they scored four runs in the first and ten runs in the second. In the meantime Guntly and McAlister were limiting Riverview to four hits.

Highlighting the 31 hit attack were Berger with four hits and House, Guntly, Underhill with 3 each.

Salem 5 10 6 2 4 0 0—19
Riverview 0 0 1 0 1 2—4

Winning pitcher, Guntly; losing pitcher, Dahl.
Riverside Girls 16; Salem Girls 14.

THE ANTIOCH NEWS-6

Sequoits Beaten By Lake Zurich

"It's hard to believe the feeling going through the locker room at Antioch High School as the fighting Sequoits lost to Lake Zurich 12 to 0.

Statistically Lake Zurich had no business even being on the same field with Antioch. However, as the Sequoit coaching staff pointed out "You don't win games on statistics, you must score touchdowns." This appears to be more of a problem than it looks like since the Sequoits have scored only 45 points in 5 outings and have had 74 scored against them.

"Big plays have hurt us," the coaches said. "There has been only one team to run for more than 100 yards against us, and that was because they had a 96 yard run. In every game we've lost the deciding factor was either a long pass or a punt return. We're not trying to make excuses," the staff continued, "but our defense can't be blamed for these losses. They are probably the stingiest defense in the county, however, we make too many mental errors once we get near the goal line and stop ourselves."

The selfishness of the Sequoit defense can certainly be seen in the week's game since Lake Zurich was only able to get 20 yards rushing in 24 plays and 136 yards passing in 13 completions, one of which was a 48 yard touchdown pass.

Antioch, on the other hand, rushed for 105 yards in 33 plays and passed for 143 yards in 11 completions. Altogether Antioch ran 62 plays for 248 yards and 13 first downs and punted only twice, one in each half. Lake Zurich ran 46 plays for 156 yards and 7 first downs and punted 7 times.

The game was delayed twice due to injuries to Antioch's Rick Nelson, who was knocked out while throwing a key block on a long punt return by Kevin O'Neill and when Keith Bolton was flipped as he went high to snare a pass.

Altogether, Antioch had 4 of their starters injured and on the bench before the first half was over. Jon Story received a cracked wrist and Terry Triplett was shaken up. Triplett, Nelson and Bolton all returned to action in the second half.

The Sequoits are now in preparation for their homecoming game against Grayslake. Let's hope they break their TD jinx and make Saturday a real Sequoit happening.

Antioch 0 0 0 0-0
Lake Zurich 0 6 0 6-12

An Antioch ball carrier is swarmed over as he makes a few yards against a tough Lake Zurich team.

The action was tough last week between the Antioch Sequoits and members of the Lake Zurich team which saw Antioch go down to defeat by a 12 to 0 score.

Junior Varsity Winner

Antioch J.V.'s - "A winning training ground."

With two games left on their schedule the Antioch Junior Varsity team is 4 and 1 with wins over North Chicago, Lake Forest, Round Lake and McHenry and their only loss was to Wauconda.

"J.V. games are our training ground," Head Coach Nelson pointed out. "My two assistants

take the team and analyze the players to see if they're ready to play varsity."

According to the coaches the games are fun because there is no pressure but the kids know it's a chance for them to possibly earn a starting spot on the varsity, so there isn't much clowning around.

"The J.V. games have helped develop quite a few boys for us," the coaches stated. "As a matter of fact these games are usually just what some of the boys need to become great varsity ball players."

The coaches stated that they use the J.V. games to try out new plays and also to give extra work to players that need it.

Antioch Freshmen Continue To Win

Antioch's Freshman football team continued its winning ways Monday by crushing Lake Zurich 50-0. The "A" team record is now 5-0 and the "B" team record is 4-0.

In the "A" team game Antioch started out a little shaky by fumbling once and being penalized six times during the first 12 minutes of play. The Frosh Sequoits then settled down and played their best game of the season.

Tom Pfahler recovered a Bear fumble on the Antioch 42 yard line and one play later Tom raced 56 yards to score. He also scored the two point conversion.

In the second quarter Antioch had to work hard to overcome several penalties. Fred Popp scored on a 17 yard reverse with 2:47 left in the half. A successful PAT was nullified by an offside and a second attempt was no good. On the first play from scrimmage by Lake Zurich, a Bear runner fumbled and Charlie Chapman recovered on the Lake Zurich 26. The Sequoits moved in quickly to score with Chapman going over from the 3. Pfahler scored the 2 point conversion.

The second half opened with Chapman recovering another fumble on the 50 yard line. Chapman ran for 5 yards and then passed to Scott LaChance for 33 more. Charlie then swept right end for the last 12 yards. The PAT was no good. After another fumble recovery Antioch scored in two plays. Pfahler went through the line for 21 yards and then grabbed a pass from Chapman for the T.D. Chapman ran for the PAT. Antioch kicked off and on the first play from scrimmage Bob Dow made his second fumble recovery on the Lake Zurich 34. Three running plays gained 9 yards before Andy Feldmann went off right tackle and bulled 25 yards to score. A pass to Gordy Silianoff for the PAT was incomplete.

The final Antioch touchdown came in the fourth quarter. Chapman passed to Scott LaChance for eight yards and a score. Fred Popp had set up the score with a run of 28 yards. Chapman scored the PAT. Antioch was driving again late in the

game as Tim Mieur at quarterback completed two passes for 28 yards. The clock ran out, however, with Antioch on the 10 yard line.

Coach Norm Hahn was full of praise for his charges. "This was our best game to date. We gained a total of 347 yards, 105 in the air. I have to credit both the backs and the line. The backs ran very hard, often bullying for the extra yardage. The line did a fine job, opening good holes. Pass blocking was very good. As usual the defense was outstanding."

In the "B" game everybody got into the action. Tim Mieur scored from 30 yards out on a quarterback keeper.

Mike Nischan scored twice on dives through the line and Mike Harvey scored on a 35 yard reverse. Three two-point conversions were scored by Greg Dickson. The Sequoits dominated the play and Lake Zurich never threatened to score.

Coach Wapon's "B" team has now allowed only 8 points in four games. Three opponents have been shut out. The next frosh game is Friday when a "A" team plays at Grayslake. The "B" team will play Grayslake at home on Monday.

Inside Line Backer Tony Baczynski, Dave Donica

Outside Line Backer Larry

Loef, Ken Sterbenz

HB. Bill Gaa, John Coia

Two sustained drives against Wauconda the previous week has been the most outstanding effort of the season. Both of these resulted in a touchdown. The first came in the second quarter and the second in the fourth. After alternating carries between Sterbenz and Gaa, Sterbenz scored from the one yard line. The extra point was good on a pass from Coia to Tell. On the second drive Antioch ran 17 plays moving from our own 21 yard line to score on Brasfield's eight yard plunge. Sterbenz carried 8 times, Gaa 6 and Brasfield 3 to make it a really fine effort.

If you're interested in seeing the fun Junior Varsity in action they play this Monday at 4:30 in the high school field.

Don Nichols, right, of LaGrange Park, new Illinois State Individual Fishing champion, receives trophy from Barney Shunneson, owner of the Channel Lake Boat House who conducted the contest for the 9th straight year. Nichols won his trophy with a 20-inch 3-3/4 pound largemouth black bass and a 23-inch northern pike.

Titans Beat Panthers At Salem

In the Salem Intramural football league, the Titans scored an overwhelming 38-19 victory over the Panthers. Once again the offensive and defensive lines of Titans opened holes for the Titan backs or closed holes in the Panthers' lines. Shining in the victory were Costanzo, Stramp, Paddock, Johnson, Glasman, Verzal, and Johnson who are the key to the line play, while McAlister highlighted the backfield action.

The Salem Indians pulled off the biggest upset of the Intramural football season, as they scored their first victory of the season when they defeated the first place Razorbacks, 13 to 7. The defeat dropped the Razorbacks into a first place tie with the Titans. An outstanding defensive battle by both teams, the Indians were able to score late in the game when LaMeer passed 15 yards to Sheehan.

The Salem Badgers received a jolt to their first place dreams when they were tied by the fourth place Panthers, 14 to 14. In the second rugged defensive battle in as many nights, the Badgers were fortunate to escape with a tie but it dropped them a game and a half behind the first place Razorbacks and Titans. Pacing the scoring for the Panthers were Glover, Ketterhagen and Plants while House and Merrill led the Badgers.

Each man must earn his own dignity.

Nichols Is State Angling Champion

Don Nichols of LaGrange Park, a United Air Lines jet pilot, who fishes for relaxation, is the 1969 Illinois State individual angling champion.

He won his second title on Sunday, Oct. 5, by defeating 32 other finalists in a seven-hour fishoff on Channel Lake and Lake Catherine in the Chain O' Lakes of north-eastern Illinois, near Antioch.

Nichols caught two fish, spoon-plugging, to total 340 points. Bob

Lang of Ingleside, 1968 winner, finished second with 187 points by catching four small largemouth black bass, slightly longer than 10 inches apiece.

The new champion hooked a 3-lb., 12-oz. largemouth black bass and a 23-inch northern pike, both in Channel Lake. He also won the crown in 1962. He said:

"I've been fishing for a long time, but it's always a thrill to catch fish, especially in a state tournament when you face such experienced anglers. Lately, though, I haven't been fishing as much as I would like, because of a busy schedule. My reason for angling is to relax."

Jerry Egnath of Round Lake was third with 103 points; Robert Pavlis of Hanover Park was fourth with 100 points, and Ben Landers of Calumet City had 96 points for fifth.

The new champion received a trophy from Barney Shunneson, owner and operator of the Channel Lake Boat House, who has conducted the state meet for the tenth straight year.

Twelve of the finalists caught fish. Although the day was beautiful—warm and sunny—the fish just didn't cooperate.

Shunneson said:

"In previous meets, the weatherman didn't cooperate. This year, when he did, the fish went into hiding. The anglers, however, did probe every inch of water on our two lakes seeking to locate the fish, but even this extra effort didn't make it a productive seven hours of fishing. As they say in sports, 'there's always a next year.'"

Falcons Are Still Undefeated

The Salem Falcons remained undefeated in the Westosha Baseball Conference as they downed Riverview, 19 to 4. Once again they combined a strong defense, a powerful hitting attack and good pitching as they remained in first place.

The Falcons wrapped the game up early as they scored four runs in the first and ten runs in the second. In the meantime Guntly and McAlister were limiting Riverview to four hits.

Highlighting the 31 hit attack were Berger with four hits and House, Guntly, Underhill with 3 each.

Salem 5 10 6 2 4 0 0-19
Riverview 0 0 1 0 1 2-4
Winning pitcher, Guntly; losing pitcher, Dahl.

Riverside Girls 16; Salem Girls 14.

9 Students At Carmel Score High

Letters of commendation honoring them for their high performance on the 1969 National Merit Scholarship Qualifying Test (NMST) have been awarded to nine students at Carmel High School for Boys, Principal Fr. Fergus Lickelg has announced.

Those named Commended students are Ronald Blitt, Timothy Cahill, Patrick Connolly, Larry Kidwell, Michael McKinley, Robert Newling, Charles Noteboom, David Schlaybeck, and James Schmidt.

They are among 39,000 students in the United States who scored in the upper 2 per cent. of those who are expected to graduate from high school in 1970. The Commended students rank just below the 15,000 Semifinalists announced in September by the National Merit Scholarship Corporation (NMSC).

Edward C. Smith, president of NMSC, said: "Although Commended students advance no further in the Merit Scholarship competition, their outstanding record in a nationwide program deserves public recognition. Their significant academic attainment gives promise of continued success in college."

The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Our nation will benefit from their continuing educational development.

The Commended students' names are reported to other scholarship-granting agencies and to the colleges they name as their first and second choices when they took the NMST in February 1969. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students. NMSC encourages these students to make every effort to continue their education.

The strength of families is the strength of America. Broken homes means children who don't have the help and love they need. It means crime and untrained adults without jobs.

The United Fund of North Lake County is doing something about the strength of families in Lake County. It is raising money to help finance the work of Family Service Agency of North Lake County.

Last year the agency's employees gave 1,618 hours of counseling and 4,461 hours of home-maker service almost entirely for families in trouble at fees set by the income of the family served. The operating budget for the agency in 1968 was \$65,056. Clients who received help paid \$13,572 in fees and the United Community Fund of North Lake County provided \$48,788.

Most of the money went for salaries of counselors and home-makers. Counselors helped distraught adults, hostile teenagers or frightened children by listening, understanding and suggesting constructive action. Homemakers took care of children, cooked meals and kept house when an illness or crisis disrupted a family's normal routine.

The help was offered by trained professionals to people with a wide variety of problems. Here's one fairly typical situation:

A young mother, a six year old boy and a four year old girl have not recovered from the death of the head of the household. Two months ago he was killed one night by a speeding car as he was walking home from a nearby drug store.

The sting of death and the feeling of loneliness are still seen in the mother's eyes as she hugs her four year old daughter who sits on her lap. Her oldest son is in school.

The sudden death of the little girl's father has cast a shadow of paralyzing despair over the lives of the young family. Income is cut off because the young man had little insurance. The mother is considering getting a job and hiring a babysitter. There are no grandparents to turn to and no brothers or sisters to help her meet the remorse and despair the young woman endures.

Family Service Agency of North Lake County counselors know how to help such a young mother because they are experienced and trained for their job. All they need to continue their work is a successful United Fund Campaign.

Nineteen other local welfare agencies depend on the United Fund for help in financing their activities.

According to the Veterans Administration, 7,813,637 elementary and secondary school students participated in Veterans Day ceremonies in 16,037 schools in 1968, a sharp rise over 1967 totals. The VA again this year is in charge of the President's Veterans Day National Committee which encourages such public recognition.

RONALD L. ARONSON
Ronald L. Aronson, 19 years old of Rt. 3, Antioch, passed away Friday, Oct. 10 in Kenosha Memorial Hospital, Kenosha, Wis., from injuries received in an auto accident.

He was born June 14, 1950 in Burlington, Wis., and had lived in Genoa City, Wis., before moving to Antioch 2 years ago. He was an apprentice Tool and Dye maker for the Duro Tool and Die Co. of Woodstock, Ill.

Survivors are his parents Roy and Gladys Aronson of Antioch; nine brothers, Daniel, Genoa City, Wis.; Terry, U.S. Army at Ft. Carson, Colorado; Thomas, James, Roger, Rodney, Jeffrey, Kevin and Brian, all at home; one sister, Melody, also at home.

He was preceded in death by one sister, Dorothy, in 1946.

He is survived also by his maternal grandparents, Mr. and Mrs. Herman Keisler, of Twin Lakes, Wis., and his paternal grandparents, Mr. and Mrs. Andrew Aronson, of Antioch.

Funeral services were held Monday, Oct. 13 at 1:30 p.m. from the Strang Funeral Home, Antioch. The Rev. Theodore Bessette of St. Ignatius Episcopal Church of Antioch officiated. Interment was in Hillside Cemetery, Antioch.

BILLY A. WILLETT
Billy A. Willett, 39 years old of California Subdivision, Antioch, passed away Monday, Oct. 13 in Victory Memorial Hospital, Waukegan, after a prolonged illness.

He was born June 25, 1930 in Antioch and has been a lifelong resident. He was a member of St. Ignatius Episcopal Church of Antioch. For the past three years he was employed as a motor repairman for Johnson Motors in Waukegan.

He was preceded in death by his father, Ray E. Willett in 1965.

Survivors are his wife Darlene (nee Lewis) Willett, one daughter, Janine at home, his mother, Mrs. Alvina Willett, Antioch, four brothers, Raymond B., Edward E. Bobbie F. and Dennis L. Willett, all of Antioch; four sisters, Mrs. John (Beatrice) Rocks, Chicago; Mrs. Richard (Betty) Davis, Antioch; Mrs. William (Edith) Corey, Antioch; Mrs. Patricia Ahlstrand, Gurnee.

Funeral services will be held today (Thursday) at 1:30 p.m. in the Strang Funeral Home, 1055 Main St., Antioch. The Rev. Theodore Bessette of St. Ignatius Episcopal Church of Antioch will officiate. Interment will be in Hillside Cemetery, Antioch. Friends may call in the funeral home after 3 p.m. Wednesday.

MRS. SADIE H. REEDER
Mrs. Sadie H. Reeder, 72 years old of 1013 Bishop St., Antioch, passed away suddenly Wednesday, Oct. 8, at her home. She was born Oct. 5, 1897 in Pike County, Mo., and lived in Chicago until moving to Antioch 6 years ago.

She was preceded in death by her husband, Frank Reeder, in 1964. Also preceded in death by two brothers, Joseph and Fred, and two sisters, Ruth and Ophelia.

She is survived by three sisters, Mrs. Terry (Helen) Witman, Chicago; Mrs. Edward (Jenny) Mastny, Chicago; and Mrs. Charles (Fay) Dix, Cando, N. Dak., and three brothers, Mike Reid, Palos Heights, Ill.; Paul Reid, Chicago, and Forest Reid, Evanston, Ill.

Funeral services were held Saturday, Oct. 11, at the Strang Funeral Home, Antioch, at 11 a.m. Interment was in Ascension Cemetery in Libertyville.

ROGER R. JOHNSON
Roger R. Johnson, 6 years old of Beachwood Subd., Antioch, passed away suddenly Oct. 7, 1969 when he fell off a pier and drowned in Petite Lake near Antioch. He was born May 19, 1963 in Waukegan and lived all of his life near Antioch.

He is survived by his parents, Ralph and Sandra (Prochnow) Johnson, two brothers, Scot Anthony and Brian William, both at home; his maternal grandparents, Mrs. Wynona Prochnow of Florida and Leonard Prochnow of Round Lake, Ill. He is also survived by his maternal great-grandparents, Mr. and Mrs. George Gray, Arlington Heights.

Funeral services for Roger were held Thursday, Oct. 9, at 1 p.m. at the Strang Funeral Home, Antioch. The Rev. James Christensen officiated. Interment was in Ridgewood Cemetery, Des Plaines, Ill.

Edison Defends Increase

General price inflation, escalating money costs and a growing tax burden have compelled Commonwealth Edison Company to request higher electricity prices, according to testimony submitted to the Illinois Commerce Commission Monday by Gordon R. Corey, Edison's finance committee chairman.

The Commission is conducting hearings in Chicago on the company's proposed 6.1 per cent increase in electricity prices.

Corey testified that general price inflation and increasing environmental responsibilities are among the forces compelling the company to seek rate relief.

"The prices of the goods and services we require to provide electric have been rising at a rate that far outstrips the capacity of technological change and progress to reduce costs," he said.

"Our steady growth means that an increased quantity of physical resources must be bought despite sharply escalating prices, but there is another factor besides growth which is also increasing the quantity of physical resources we require."

"... Today more than ever before, people are concerned about pollution and unsightly facilities, particularly in the large urban areas. We too are concerned and are faced with the problem of paying the bill. Here again we find costs already high and steadily rising."

In discussing inflation, Corey pointed particularly to sharply rising costs of generating station construction. "Our most recently ordered units, both nuclear and coal-fired, will cost 55 per cent to 80 per cent more than the \$120 level applicable to Kincaid, Dresden and Quad-Cities units," he said.

The Edison financial officer stated that the largest construction program in Edison's history now calls for \$1.7 billion to be spent in the five-year period, 1969-1973. The amount includes

THE ANTIOCH NEWS—9 THURSDAY, OCTOBER 16, 1969

about \$880 million for 6.7 million kilowatts of generating capacity and \$70 million for air and water pollution control facilities.

Corey said \$950 million of new money will have to be raised to finance the program and added: "In order to keep our debt ratio under 60 per cent and thus maintain our good bond and debenture ratings, we plan to sell \$100 million of equity securities during the next 12 months. Additional equity securities may also have to be sold during the remainder of the next five years but we have no specific plans to do so at this time."

Corey emphasized that in meeting its duty to provide facilities for reliable electric service to customers, the company must be in a position to raise money at all times—including times of tight credit. "Only by maintaining a good rating can we be assured of raising money when and as required to construct needed facilities," he said. "Electric service is too vital to risk any power shortages from any inability to build and properly maintain facilities."

Polish Translation Of Health Published

A Polish translation of "Science and Health with Key to the Scriptures" by Mary Baker Eddy was published October 3. The announcement was made this week at The First Church of Christ, Scientist, in Boston, Massachusetts, by Clem W. Collins, Publishers' Agent.

The Polish edition is the eleventh translation of "Science and Health." It is published by the Trustees Under the Will of Mary Baker Eddy.

Seven years were required to translate the 700-page Christian Science textbook into Polish. The book has been printed with the English and Polish texts on facing pages, a format used for all translations of Mrs. Eddy's books.

Don't double park when you drop your children at school or when picking them up. It creates a hazard for other children who must cross the street, and sets a bad example in its disregard for the law.
